April 4, 2003

Sir:

In response to the Office Action dated December 4, 2002, the period for response thereto being extended by one month by the herein enclosed Petition for Extension of Time, to expire on April 4, 2003, reconsideration and withdrawal of the outstanding rejections and allowance of the present application are respectfully requested in view of the following amendments and remarks.

IN THE SPECIFICATION

Please substitute the following for the paragraph starting on page 6, line 17.

a --Further, an embodiment of the present invention creates a system and computer program for ordering, paying for and delivering goods and services using a mobile station. This system and computer program uses a Global System for Mobile Communications (GSM) authentication module to verify that the mobile station
